

WELCOME TO HOPWORKS URBAN BREWERY...

MY DREAM BREWPUB! Over the past twelve years as a brewmaster, I have spent many hours contemplating my own place. I have scoured the planet looking for ideas and have come to find that everything I needed was right in my back yard. This project has taught me that every decision has a green alternative and that the only right answer is a thoughtful one.

The HUB is a thoughtful approach to brewing, building, and living. Combining all the things I love wasn't easy. I had to ride my bike, travel the world, eat tons of pizza, and drink beer with many "wonderful" and some "interesting" people. The fact is that beer brings us together and better beer "betters" the mood. Look around, relax, enjoy, and raise a pint to living with purpose! Thanks for coming and we appreciate your support of Portland's only Eco-Brewpub.

ORGANIC BEER FOR ALL

ORGANIC HUB LAGER ★

Our Czech style pilsner is all malt all the time-no choicest rice or corn syrup here! Whole flower Czech Saaz hops balance the delicate honey flavor of our organic Canadian grown pilsner malt creating a golden beer with depth of character. ★ SILVER MEDAL 2008 WORLD BEER CUP™

ORGANIC CROSTOWN PALE

This beer bridges east and west with a lane dedicated to riders who aren't afraid to get dirty. Three kinds of organic caramel malt and a 24 pound whirlpool hop bomb keep things interesting while the wheels go round and round. Cheers to narrow knobbies, kazooos and more cowbell!

5.3% ABV 12.5 Degrees Plato 45 IBU

ORGANIC VELVET ESB

This English Session Beer has a delicious floral hop aroma and flavor. A heaping helping of organic caramel malt and touch of organic chocolate malt give this beer its beautiful mahogany color while organic oats from Bob's Red Mill velvetize the texture. Smoother than an infomercial host at half the price!

5.2% ABV 13.5 Degrees Plato 30 IBU

ORGANIC HOPWORKS IPA ★★

Our namesake IPA is a Northwest classic. Generous additions of Amarillo, Centennial, and Cascade hops find their way into the kettle, hop-back and dry-hop. This judicious use of the "brewers spice" creates rich and resinous flavors of citrus fruit and pine. The finest organic Canadian pilsner malt and organic Munich and Caramel malts then bring balance to your new favorite beer.

Finished with 15 pounds of cold-pressed Stumptown Organic Holler Mountain Coffee. Unlock the mystery entombed in darkness.

5.3% ABV 15 Degrees Plato 35 IBU

DELUXE ORGANIC ALE

Strong like bull but sweet like your mamma. This unique beer is a trifecta of bold flavors. Hops, malt and alcohol bully the taste buds on the organic playground while the monitor blows the whistle!
